Flag Pole Dedication

October 12, 2021

To Barbra Schmidt

I want to welcome all who came to dedicate this symbol of freedom and liberty to our former Town Board Member Barbra Schmidt. Barb has dedicated over 30 years of service to the Town of Cary. Local government has become the institution to let the other guy do. In many ways some town members feel it is a thankless position, but some still accept the challenge.

People in all towns have a debt to the ones who came before us and an obligation to the ones after us. This is why we take time and dedicate a symbol to the service that Barb has provided. It isn't about the pay. I am sure she would still be doing the job if her health wasn't compromised at this time.

To family and friends, the town is now showing their appreciation for the excellent job. Can you imagine 30 years ago most of what the treasurer did was handwritten and calculated in a ledger? Throughout the years she had taught herself how to use a computer and the programs to continue to do her job. We thank her and recognize her today at the site of Cary Township's local government.

I thank all in attendance here today. God Bless

Mark Gosh, Chairman, Town of Cary
