In attendance were Mark Gosh, Chairman, Dale Zawislan, Supervisor, Carey Rucker, Treasurer, Jean Gansch, Clerk, and Lori Hiebl, Deputy Clerk. Also in attendance were Nick Achtermeier—representative of Harter’s Disposal, and 10 members of the community. Motion was made by Dale Zawislan to delay check signing to accommodate Mr. Achtermeier’s contract proposal, motion seconded by Mark Gosh, motion carried.

Mr. Achtermeier presented Harter’s proposed rates for garbage pick-up for the next 5 years. The present contract is expiring at the end of 2023. The present rate the township pays for bi-weekly garbage pickup is \$9.05 per household. He is proposing an increase of \$17.25 per household. They would supply a 95-gallon cart to each household and will maintain the same level of service that we now have. There was some discussion about adding recycling to this service, at a cost of an additional \$2.00 per household. The township is currently part of the Southwest Wood County Recycling Board, and this may be in conflict with this secondary proposal. The board requested Mr. Achtermeier to send the proposed contracts to the Clerk’s email for further board consideration.
