

The Town of Cary residents have received the trash carts, and we are anticipating the recycling carts to be in for delivery in a few weeks.

Please continue to put your recycling out just as it has been in the past until the carts are delivered to residents.

Proper cart placement for automated collection

Remember to use only the green 96-gallon cart with the yellow lid for recycling.

To ensure the truck's automatic arms can lift the carts, please make sure to place carts at least 3 feet apart and away from other objects like parked cars, mailboxes and trees. Place wheels of cart toward your house.

Recycling cart with yellow lid - Place acceptable recyclables directly into the cart - don't bag recyclables and no loose plastic bags. Make sure all materials fit inside the cart with the lid firmly closed.

Trash cart with green lid - bag and tie trash before placing it into your trash cart. No materials outside the cart will be collected.

Have your carts at the curb the night before or **no later than 6 a.m.** on your collection day.

Observed 2024 Holidays

Please note, if a holiday occurs on or before collection day, your service will be delayed one day that week only.
